# BREATHE FREE CHALLENGE

Take it today!

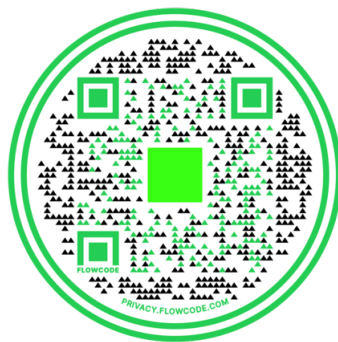

[WingWarriors.org/Breathe](http://WingWarriors.org/Breathe)

✓ Have you ever had trepidation or claustrophobia about breathing with a mask all day?

✓ Have you wondered if diminished oxygen levels, ideal bacteria breeding environments, and breathing our own CO2 might be harmful to our bodies?

✓ Would you be interested to know the findings of recent and long-term mask, vaxx and quarantine studies both from physical and psychological perspectives?

✓ Have you ever had trepidation or claustrophobia about breathing with a mask all day?
